

Greenridge Fall Autism Group

Lego Club Social Skills Group

WHAT

A collaborative play therapy group where children develop and practice utilizing effective social skills. Children will use Legos to build different projects which will require them to work collaboratively as a team. Trained therapists focus on helping the children to engage in appropriate verbal/non-verbal communication, turn-taking/sharing, maintaining attention, and social behaviors.

WHEN

Eight Thursdays 5pm-6pm
(Oct. 15th – Dec. 10th,
no group Nov. 26th)

COST

\$400.00*

*Limited Insurances
Accepted; Call for details
